Section I: FOOT NOTES AND GROUP NOTES

Footnote Number	Footnote
9	The word 'Each' in the "Rate Description" indicates a charge per library in a consortium, per set.
26	MARC records output from group Batchload projects. One record copy is returned for each holdings set.
47	Records created based on holdings set or original cataloging from all batchload, WorldCat Cataloging Partners, WorldCat Collection Sets, GovDoc, or other batch products.
48	Records created based on holdings set or original cataloging from online cataloging and Z39.50 access.
114	Includes school districts or BOCES
115	Includes libraries or library systems
125	WorldCat Selection annual subscription is based on the institution's gross cataloging subscription price excluding cataloging credits. A cataloging subscription is required. Use the following ranges of cataloging subscription prices to determine if L1, L2, L3, or L4 selection product codes are appropriate: under \$20,000 use L1; \$20,000 to \$75,000 use L2; \$75,001 to \$125,000 use L3; over \$125,000 use L4.
139	Ingest fee allows user to ingest up to one terabyte in single or multiple batches within one year. Fee is waived for CDI and Web Harvester Ingest.
140	Dissemination fee allows user to disseminate up to one terabyte in single or multiple batches within one year.
141	Based on current market prices for storage media (eg., USB removeable disk drive, DVD, etc.)
148	Fee is waived for CDI and Web Harvester Ingest.
149	This upgrade price applies to paying Quick Start subscribers only. It does not apply to Base Package subscribers using the free CONTENTdm license included in their Base Package subscription.
Group Note Number	Group Note
500	Credits are redeemable for OCLC products and services only; unredeemed credits will be carried forward to the following fiscal year.
503	Open searches have a 2-year lifespan from date of purchase. Open searches will be accounted for on a FIFO basis; searches not used within their lifespan will be forfeited. Purchase of additional searches or a FirstSearch Subscription will reset any open account search expiration dates to 2 years from the most recent purchase.
