## REQUIREMENTS

- No person shall engage in this state in the business of transporting motor vehicles, not his own, by driving either singly or by the towbar, saddle mount or full mount method or any combination thereof and using the public highways of this state until such person shall apply for and receive from the Secretary of State a generally distinctive set of two In-Transit License Plates for any motor vehicle so transported by him.
- Such In-Transit plates shall be used by such person only on motor vehicles transported, but not owned by him.
- Any person registered as a transporter may make an application to obtain duplicate sets of In-Transit plates for a fee of \$13 for each set of plates.
- Original or duplicate In-Transit plates shall be attached to the front and rear of each motor vehicle so transported in this state; provided, that if one such motor vehicle is towing another such vehicle, one plate or duplicate plate shall be attached to the front of the towing vehicle and one such plate to the rear of the towed vehicle.
- An application for In-Transit License Plates must be accompanied by a Certificate of Authority issued by the Illinois Commerce Commission.
- In-Transit plates may be issued to firms for in-plant vehicles, and for empty movement of these vehicles between their own plant areas. In-Transit plates also may be issued to firms that need to move vehicles for installation of special bodies or equipment. These firms are not permitted to conduct any for-hire movements.
- Repossessor License Plates may be used only by financial institutions for the purpose of transporting repossessed vehicles. An application for Repossessor plates to be used for-hire must be accompanied by a Certificate of Authority issued by the Illinois Commerce Commission.
- A separate application and \$45 fee is required for each set of Repossessor plates.
