

## OFFICE OF THE SECRETARY OF STATE

---

JESSE WHITE • Secretary of State

December 2021

Dear Insurance Representative:

The Motor Vehicle Theft Prevention & Insurance Verification Council (20 ILCS 4005/1) manages a special trust fund in the State Treasury, administered by the Office of the Secretary of State. The Council awards grants to eligible recipients for programming that addresses motor vehicle theft.

The trust fund is populated through a \$1.00 surcharge that is assessed to private passenger vehicle insurance policies in Illinois, included in Class 2 and Class 3 of Section 4 of the Illinois Insurance Code. This payment is remitted annually, at the start of each new calendar year, for each policy written during the previous calendar year.

For 2022, notifications are once again being sent to the physical address and the email address on file from last year, so please take care to only submit one payment. Please read the following information on how to make a payment for 2022:

- Payments will be accepted, beginning January 3, 2022 at the following website: (<https://www.cyberdriveillinois.com/MVTPIV/home.html>)
- Please located the red button on website that says, "MVTPIV Payment." You may then enter the amount, if any, that your company is required to pay.
- Payments will be accepted either electronically or with a traditional paper check.
- For either option, you will need to complete the worksheet electronically.
- Be sure to read the information on the website regarding business bank accounts being used to submit an e-Check payment and any notifications that will need to be made to your bank.
- Payments may not be made until Monday, January 3, 2022.
- Please complete this process by April 1, 2022.
- Traditional paper check payments may be remitted to:

MVTPIV Council
