

EMERGENCY CONTACT DATABASE

The Illinois Secretary of State's Emergency Contact Database allows you to enter emergency contact information, as well as disability/special needs information, into a voluntary, secure database at no charge. In the event you are involved in a motor vehicle crash or other emergency where you are unable to communicate, law enforcement can access this information and notify your designated emergency contacts, as well as provide any helpful information to emergency/medical personnel at the scene.

Illinois Secretary of State Emergency Contact Database

- There is **NO FEE** to enroll in the Emergency Contact Database.
- If you have an Illinois driver's license, an instruction permit or a state ID card, you can voluntarily enter your emergency contact information in the Emergency Contact Database.
- You may select one or two people as emergency contacts. Emergency contacts do not need to reside in Illinois. It is your responsibility to notify the individuals you have listed as emergency contacts.
- You may include information on medical issues/conditions or drug allergies.
- You may add, modify or delete information at any time at ilsos.gov. Any modifications or deletions will overwrite all previously entered information. For privacy and security purposes, previously entered information is not displayed.
- Only law enforcement may access this information and use it only in the case of an emergency when you are unable to communicate with them directly.
