Expedited Title Service

The Secretary of State offers expedited service on many vehicle title transactions. To be eligible for expedited service, the surrendered title must be a current Illinois title or be a new car with a Certificate of Origin. Out-of-state surrendered titles may only be submitted by a dealership. Transactions requiring special documentation (bonds, repossessions, estate work, etc.) are not eligible for expedited service.

A **\$30 expedited fee** is charged in addition to the normal transaction fee(s). If the title is not processed within the specified time, you may apply for a refund of the expedited fee.
